Dear Parents/Carers

PLEASE READ CAREFULLY.

THERE ARE DOCUMENTS AND PROCESSES REQUIRED FOR CHILDREN TO ATTEND THE SESSIONS FROM WEEK COMMENCING SEPTEMBER 12

FAILURE TO DO SO WILL RESULT IN PLAYERS BEING TURNED AWAY.

THERE IS LITTLE SCOPE FOR FLEXIBILITY.

BARFC is very much looking forward to seeing and working with the youth section. The coaches are pleased to get back to training.

Firstly, no one should feel pressured to return to training until they feel comfortable to do so. There will be no prejudice in future selection for matches or similar for those who feel uncomfortable about training at this time.

It is strictly your decision as a parent or player to opt into the rugby activity, all of which is compliant with RFU and Government guidelines.

As you are aware there are a number of strict procedures we have to go through in order to ensure the safety and welfare of all participants – players, coaches, first aiders, managers and parents.

Please read the information below carefully to ensure that your son can participate in the sessions and safeguard the health and safety of all.

Children should not attend if any of the following apply:

- High temperature
- New & continuous cough
